I do forwarding herewith a copy of letter No. 317 dated 31st October/89 from the Arrack Contractors regarding the working of the Rules for the Sale of Foreign Spirituous and fermented liquors, has the honor to submit that the proposals therein recommended appear to be calculated to put a stop to the fraudulent practices which are now connected with the sale of such

liquors in Mysore Territory.

2. An officer of this Department will be sent to Madras to clear the consignment on the production of the invoice from Europe, and to convey the liquor into this Province, without breaking bulk at Madras.

3. The supply will be kept and issued from the Government Distillery, after having the labels and capsules stamped with the Mysore Government Seal. This will enable the subordinate officers of this Department to exercise an effectual check over the sales, and to prevent other than the authorized brands being sold.

Sir,

We have the honor to acknowledge the
receipt of a copy of the Rules for the sale of Forei
Spirit and fermented liquors, and would r
-spectfully point out that it will be very diff
to work the new rules, unless Government insist
the production of the Invoice from Home, and han
the liquor cleared at the port of receipt and brong
into Mysore Province by the Excise Departm
These liquors are at present, we believe, stored at
Madras, and what purport to be them are pass
for sale into Mysore, but as labels can be

bottles &c are available at Madras and
Bombay it is more than likely that country
spirit is often sent up here instead of the genu
article.

As our interests are largely involved and our
double distilled Proof and Over Proof are undersold,
as these Foreign liquors are weaker than ours, and the
Madras Firms work the system on different lines
to us, we would therefore request you will move Govern-
ment to permit us for the next three years to
import the authorized brands direct from home.
We will give to them the same rates of profit now
allowed to these retail dealers by the Wholesale
Firms in India who are supposed to be the agents
for the manufacturers.

If this course be adopted the best and most
effectual means of stamping out the many frauds
now committed will be attained

Our interests and those of Government and
the Public are in this matter identical and will
be secured by this Step.
